

# Don't Let This One Get Away!

This one bedroom, one bathroom home features an efficient layout with luxurious touches. The Dover's open-concept living room and kitchen is the perfect hangout space for watching TV or curling up with a book. Linoleum floors in the kitchen and entryway make for easy cleanup, but still lends a cozy feel. The kitchen's ceiling-height cabinets mean storage will never be an issue, and a charming shelf above the refrigerator is the perfect place to display colorful kitchenware.
